Kessler, Liz:

When The World was ours / Liz Kessler. - New York : Simon & Schuster , 2021.

Elsa, Leo and Max have always been best friends, a special team of three. Then the Nazis come.

As a growing darkness descends around them, Leo and Elsa run for their lives, taking two very different paths across Europe. And Max, once their closest friend, now becomes the enemy as he is drawn into the Hitler Youth. Will the friends ever find their way back to each other? Will they want to?

Inspired by a true story, WHEN THE WORLD WAS OURS is an extraordinary novel that is as powerful as it is heartbreaking, and shows how the bonds of love, family and friendship allow glimmers of hope to flourish, even in the most hopeless of times.

Leon, Donna:

So shall you reap / Donna Leon. - London : Penguin Random House UK, 2023. - (Guido Brunetti, 32)

On a cold November evening, Guido Brunetti and Paola are up late when a call from his colleague Ispettore Vianello arrives, alerting the Commissario that a hand has been seen in one of Venice's canals. The body is soon found, and Brunetti is assigned to investigate the murder of an undocumented Sri Lankan immigrant. Because no official record of the man's presence in Venice exists, Brunetti is forced to use the city's far richer sources of information: gossip and the memories of people who knew the victim. Curiously, he had been living in a garden house on the grounds of a palazzo owned by a university professor, in which Brunetti discovers books revealing the victim's interest in Buddhism, the revolutionary Tamil Tigers, and the last crop of Italian political terrorists, active in the 1980s.
